MEMORANDUM TO: Mr. Wilfred Peel  
Central Intelligence Agency

SUBJECT: Emergency Relocation Planning

Following are the questions on emergency relocation planning for your agency which we should like to have answered when you meet with Colonel Bronson and myself on Tuesday morning at 10:15 a.m.:

1. Name of successor heads.
2. Location of relocation site or sites.
3. Brief of existing and proposed communications plan (inter-agency and control of operations in field), with some statement as to the types of equipment you plan to use: telephone, radio, telecommunications, etc.
4. Status report on records duplication and dispersal project, with a statement as to the location of your dispersed records.
5. The degree to which specific plans have been disseminated within your own Department.
6. Whether you have any plans for reporting information (mainly on the status of installations and equipment which might have been affected by an attack) from the field to the President during and immediately after an attack.
7. Names of person or persons located outside Washington who will know in detail about relocation plans of your agency.
8. Any other data on your emergency relocation plan.

Material of the highest classification can be presented since this is not a general meeting.
